

SUMA DE LOS ÁNGULOS INTERIORES DE UN TRIÁNGULO

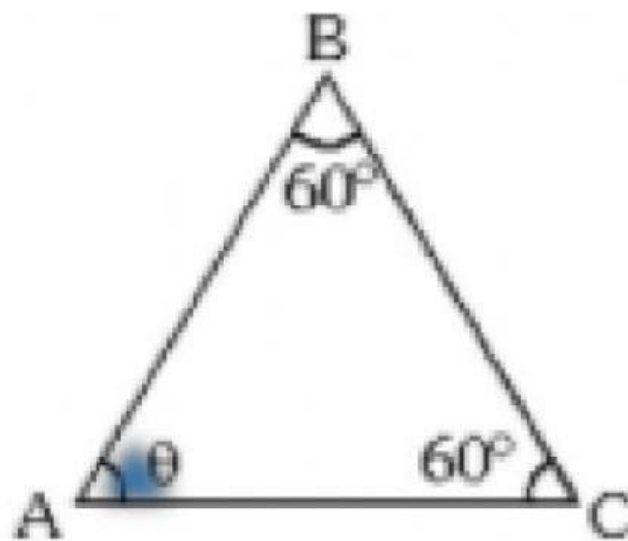

RESOLVEMOS USANDO LA CALCULADORA

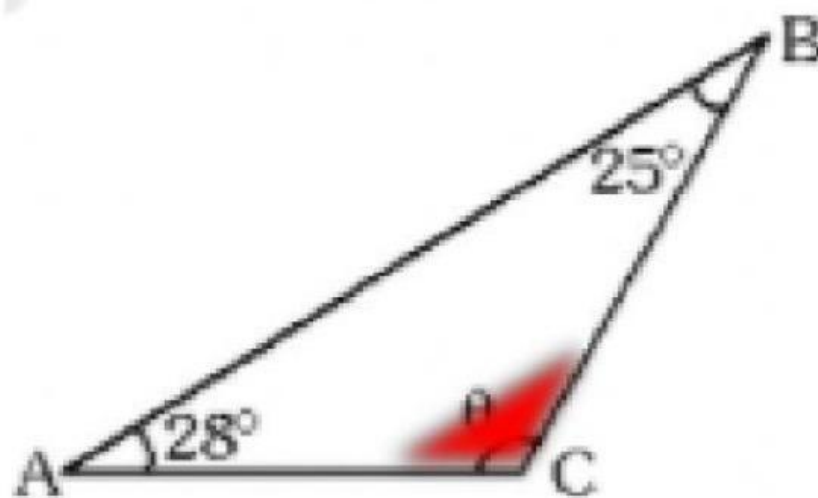

$$136^{\circ} + 25^{\circ} + \square = 180^{\circ}$$

$$75^{\circ} + 40^{\circ} + \square = 180^{\circ}$$

$$60^\circ + 60^\circ + \square = 180^\circ$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = 180^\circ$$
