

Nothing Breaks Like a Heart

by Mark Ronson ft. Miley Cyrus

This world can _____ you
It _____ you deep and _____ a scar
Things _____ apart, but nothing breaks like a
heart
And nothing breaks like a heart

I _____ you on the phone last night
We live and die by pretty lies
You know it
Oh, we both know it
These silver bullet cigarettes
This _____ house, there's nothing left
It's
We both know it

We got all night to _____ in love
But just like that, we fall apart
We're broken
We're broken

Things fall apart, but nothing breaks like a heart
Mhmm, and nothing breaks like a heart
Nothing breaks like a heart
Mhmm, and nothing breaks like a heart

Nothing, nothing, nothing gon' save us now
Nothing, nothing, nothing gon' save us now

Well, there's broken silence
By thunder crashing in the dark (crash in the dark)
And this broken record
Spin endless circles in the bar (spin 'round in the bar)
This world can hurt you
It cuts you deep and leaves a scar
Things fall apart, but nothing breaks like a heart
Mhmm, but nothing breaks like a heart
But nothing breaks like a heart
Mhmm, but nothing breaks like a heart
