

C In pairs, expand your vocabulary by writing the noun forms of *connect*, *detect*, and *imagine*; the verb forms of *challenge*, *development*, and *belief*; and the adverb forms of *mental* and *physical*. Use a dictionary if necessary.

Noun Form	Verb Form
	connect
	detect
	imagine
challenge	
development	
belief	
behavior	

Adjective	Adverb
mental	
physical	
cognitive	

When you finish, create one idea with each verb to answer the question:

What are some cognitive milestones in the life of a person?

E.g. Toddlers can detect emotions.
