

The Palindromes

Palindromes are words which read the same when spelled backwards, just like the image of letter 8. Fill the palindrome using the clues :

1. Fathers are generally called by this name

2. A baby dog

3. A legal document

4. A female sheep

5. The organ that helps us in seeing

6. A baby wear to keep food off

7. The language spoken in Kerala

8. A machine use to detect aeroplanes

9. A boat used by eskimos

radar, Malayalam, dad, eye, ewe, bib, pup, kayak, deed
