Extract 1

Morning. A street with heavy rain. Two schoolgirls are walking quickly.

SISI: (angrily) I can't believe this! First day back at school and it's pouring down. My hair will be ruined!

CHEN: And we're in Mr Ling's class. He's meant to be really old – and strict.

SISI: Really? That's not what my brother said.

CHEN: What do you mean?

SISI: My brother said he was . . . brilliant . . . in a strange way.

CHEN: Really? Cool.
