### The Honest Waiter

- 1 There was a waiter who worked very hard. One morning, his teeth didn't feel good. He called the dentist. Then he was late, so he ran to work.

- 3 When the barber arrived at his barbershop, the photographer was sitting in the chair. "You're late!" said the photographer. "I have to meet the mayor." The photographer arrived at the mayor's house. "You're late!" said the mayor. "And now I'm late for the dentist."

- 2 When the waiter arrived at the restaurant, the barber was sitting at a table. "You're late!" said the barber. The waiter brought food, and the barber ate quickly.

- 4 The mayor and the waiter arrived at the dentist at the same time. "You're late. I have to see the waiter now," said the dentist to the mayor. "I'm sorry," said the mayor. "My photographer was late because his barber was late." The waiter felt bad. "The barber was late because I was late," he said to the mayor. "Please see the dentist first." "You are an honest man," said the mayor. "You see the dentist first. I will come back tomorrow."
