**Grammar: Complete the text with the correct present simple or present continuous form of the verbs in brackets.**

### The real Shelly Smith

Shelly Smith **has just won** her third Grammy award; this time for the best song. Her fast-paced pop music is known all over the world and she regularly **(1)** ..... (entertain) her fans with her electrifying concerts. She has already visited every continent and she plans to do at least eighty concerts this year. Not only that, but currently she **(2)** ..... (record) her fifth album, which will be released later this year. The most incredible thing about Shelly is that she is still only twenty-five years old.

There is no doubt that Shelly **(3)** ..... (enjoy) the sort of lifestyle that many people can only dream of. She's got an amazing voice, a modelling career and she's worth millions. On stage she sings high energy pop hits, but in her free time **(4)** ..... (not listen, usually) to pop music. Instead, her real interest is jazz music. Although few fans will be aware of it, she **(5)** ..... (sing) in a little-known jazz group at this moment. In contrast to her pop act, Shelly's jazz group only performs small concerts, usually to less than 100 people.

Shelly tends to stay at home with her family when she **(6)** ..... (not work). Although she has a flat in New York, she **(7)** ..... (not stay) there often. In fact, she has not visited New York since last year.

At the moment, Shelly **(8)** ..... (plan) to stop entertaining her fans. In fact, her diary for next year is already full of concert dates. However, Shelly has recently said that she would like to stop touring in the future and move back to Manchester. We hope it's not too soon!
