

### Original Exercise:

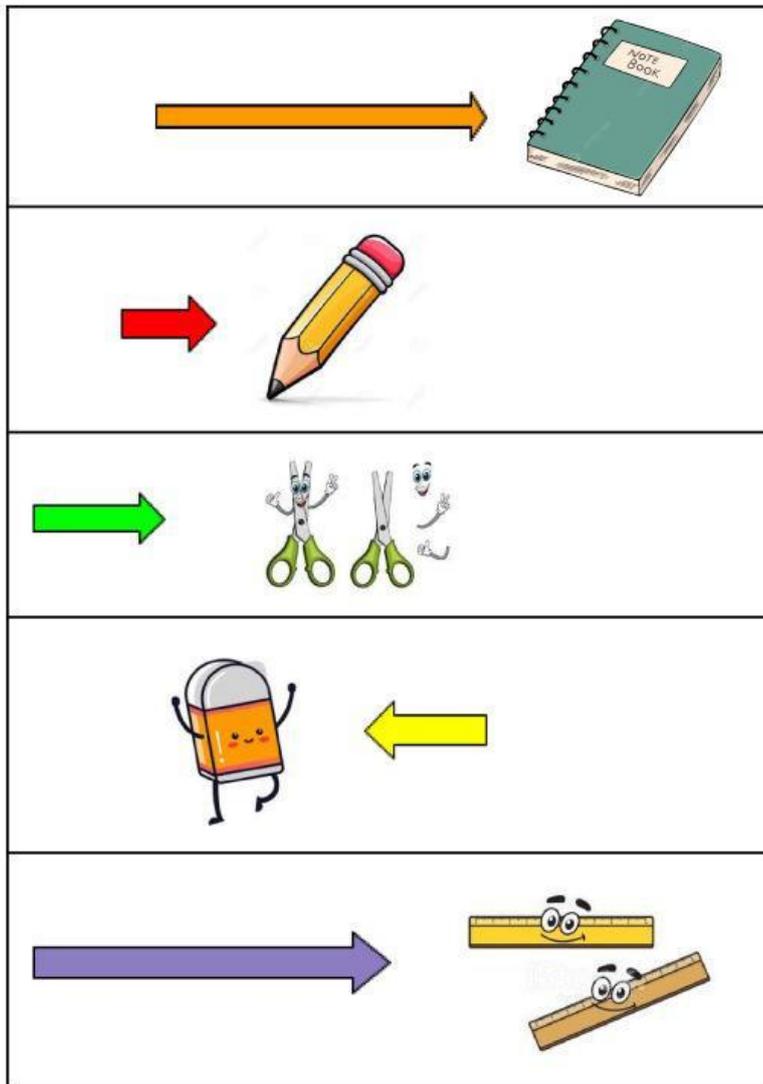

Students choose classroom supplies, hold or point to them based on the teacher's use of demonstrative pronouns, and work in pairs to practice.

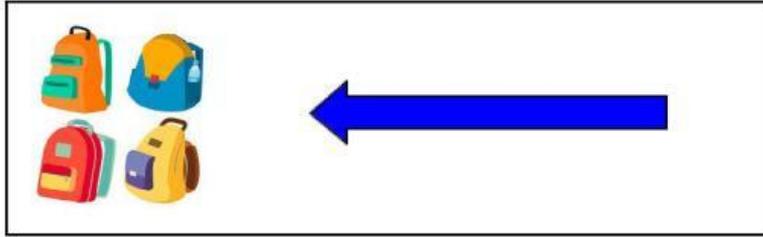

### Demonstrative Pronouns Activity

**Goal:** Learn to use the words "this," "that," "these," and "those" to describe things that are near or far.

#### Activity 1. Click the Correct Object

**Instructions:** Look at the objects on the screen. Some are near, and some are far. Listen to the teacher say "this," "that," "these," or "those," and click the correct object. **Example:** If you hear "**this**," click on the **pencil** (nearby). If you hear "**those**," click on the **backpacks** (far away)

## Activity 2. Drag-and-Drop Activity

- **Instructions:** Drag each object to the correct box based on how close or far it is from you.

Objects for Drag-and-Drop:

	<div data-bbox="991 837 1131 969" style="border: 1px solid black; background-color: #d9e1f2; padding: 5px; text-align: center;">THAT</div>
	<div data-bbox="991 1084 1131 1216" style="border: 1px solid black; background-color: #d9e1f2; padding: 5px; text-align: center;">THESE</div>
	<div data-bbox="991 1326 1131 1458" style="border: 1px solid black; background-color: #d9e1f2; padding: 5px; text-align: center;">THIS</div>
	<div data-bbox="991 1561 1131 1693" style="border: 1px solid black; background-color: #d9e1f2; padding: 5px; text-align: center;">THOSE</div>
