At the weekend

At the weekend, I like to relax and have fun. I sleep a little longer in the morning. I enjoy playing outside with my friends. We play soccer, ride bikes, or go to the park.

I also like to spend time with my family. We might go to the movies, visit a museum, or have a picnic. Sometimes, we stay home and play board games or cook a special meal together.

The weekend is special because it is a time to rest and enjoy. It is a time to do the things I love.
