Hey Khalil,

How is ¹ something _____? I hope all your family members are to the best of their health. I am writing these lines to tell you about my favourite colour and why I think it is special.

For me, green is ² good _____ of all colours. You can't miss it because it is everywhere. Without plants and their leaves life on our planet would be ³ possible _____. Moreover, we usually connect with nature in parks and forests to reduce our stress and anxiety levels. Some of ⁴ expensive _____ gems like emerald and jade are in great demand because they are so beautiful and trendy. As for fruit and vegetables like kiwi, avocado, broccoli, and lettuce, they are both ⁵ health _____ and tasty. Also, quite many countries have this colour in their flags because it ⁶ reflect _____ prosperity and hope. Green also symbolises freshness, abundance and life itself. In ⁷ add _____, this colour fills our souls with satisfaction, peace, and ⁸ safe _____ and that's why the green traffic light allows vehicles to move ahead ⁹ safe _____.

Mum ¹⁰ call _____ me for dinner. I have to stop writing now.

Take care
