Hey Khalil,

How is **1 something** _____? I hope all your family members are to the best of their health. I am writing these lines to tell you about my favourite colour and why I think it is special.

For me, green is **2 good** _____ of all colours. You can't miss it because it is everywhere. Without plants and their leaves life on our planet would be **3 possible** _____. Moreover, we usually connect with nature in parks and forests to reduce our stress and anxiety levels. Some of **4 expensive** _____ gems like emerald and jade are in great demand because they are so beautiful and trendy. As for fruit and vegetables like kiwi, avocado, broccoli, and lettuce, they are both **5 health** _____ and tasty. Also, quite many countries have this colour in their flags because it **6 reflect** _____ prosperity and hope. Green also symbolises freshness, abundance and life itself. In **7 add** _____, this colour fills our souls with satisfaction, peace, and **8 safe** _____. and that's why the green traffic light allows vehicles to move ahead **9 safe** _____.

Mum **10 call** _____ me for dinner. I have to stop writing now.

Take care
