## Phonics

“gh” also makes the “f” sound.

**Listen to the Root Words then apply the rule “gh” makes the “f” sound. Next write the correct root word into the empty boxes to complete the sentences. Use context clues to help you understand which word is best suited for each sentence.**

Root Word	Use in Sentence
<b>Example:</b>	
<b>Rough</b>	I had a <b>rough</b> day at work today.
<b>Cough</b>	The meat was far too <input type="text"/> to eat.
<b>Laugh</b>	Half a dozen eggs will be more than <input type="text"/> .
<b>Enough</b>	I like it when you <input type="text"/> at my jokes.
<b>Tough</b>	People who have covid-19 usually <input type="text"/> .
