UNIT 2

Listening

A radio programme

1 **Read the subskill. Are the statements T (true) or F (false)? Then listen to the radio programme and check.**

In a rainbow family ...

1 the boys look like their father and the girls look like their mother. **T/F**
2 the children all look like one of the parents. **T/F**
3 one child can have the skin colour of one parent and the hair colour of the other parent. **T/F**

Subskill: Using what you know

Look at the newspaper extract. Decide what you think the subject is about before you listen.

2 **Listen again and choose the correct option.**

1 Hannah's parents ...
  a are both British.
  b are not from Britain.
2 Jeff's father ...
  a is from Britain.
  b isn't from Britain.
3 Carla has got ...
  a curly, brown hair and brown eyes.
  b curly, black hair and blue eyes.
4 Mike ...
  a has got blond hair.
  b hasn't got blond hair.
5 Hannah and Jeff have got ...
  a four children: three girls and a boy.
  b four children: two boys and two girls.
6 The reporter says rainbow families ...
  a are unusual.
  b are not unusual now.

3 **Complete the table. Then listen and check.**

	Skin colour	Hair colour	Eye colour
Jessica	*black*	*dark brown*	
Carla			
Jaden			
Mike			

4 **Answer the questions for you.**

1 Think about a friend or celebrity who has a rainbow family. Describe them.

_____

2 Do you look like your mother or father? Explain.

_____
