

Add more than 2 numbers on the number line

Tip: Arrange numbers from large to small

Solve the problems.

1. Sophia picked 4 yellow flowers, 5 red flowers, 2 pink flowers.

How many flowers did she pick in all?

$$\boxed{} + \boxed{} + \boxed{} = \boxed{}$$

2. Jana saw 4 yellow birds, 3 red birds, 2 blue birds.

How many birds did she see in all?

$$\boxed{} + \boxed{} + \boxed{} = \boxed{}$$
