

1. Read the text

I'm Fred. I'm 13 and I live in London with my family. I don't have any brothers or sisters but I have got two dogs, Rex and Max. They're very cute.

On a normal day, I get up at 6:30. First, I wash my face and then I brush my teeth and hair. At about 7 o'clock, I have breakfast. I usually have cereal and orange juice but sometimes I have toast. After that, I do my homework.

I go to school at about 8:20. I walk there. Lessons start at 8:45. We have five lessons every day and on Monday, and Friday we have six lessons. I usually have lunch in the canteen with my friends. We often have sandwiches and fruit. I love bananas!

School finishes at 3:30. On Tuesdays, I have guitar lessons after school. I love playing the guitar. After that, I do my homework and then I watch TV for a bit.

In the evening, I help my mum make dinner. She's a great cook. We usually have chicken or pasta. After dinner, I go swimming with my daddy twice a week. I love swimming! I usually go to bed at about 10:30. I read a book and then I go to sleep.

I like my life. It's great!

2. Read the text. Are the sentences true (T) or false(F)?
