

Older/ Eden Golan

It happens in a _____
everything is _____
and you stare at _____ in the mirror
like who am I now

Now I don't _____ in color
grey skies in the _____
and the word's on the tip of my

but I'll _____ it down, down, down

Chorus:

and just like that I'm older
I'm older than I _____ be
got the whole world on my _____
could you _____ it with me
I should be out, out in the _____
I should be _____, lost in a dream
but just like that I'm older
I'm older than I should be

Time will do some _____
run _____ from the feeling
but at four in the morning the walls all come
tumbling _____

so I take a deep _____
I hold my _____ high
that's all I can do
got nowhere to _____
and the word's on the tip of my tongue
and I'm _____ it out, out, out

Chorus:

and just like that I'm older...
Where were you when I _____?
Where were you when I was lost?
Where were you when I needed?
Where were you?
and just like that I'm older...

breath, broken, carry, down, dream, further, garden, head, healing,
hide, letting, lost, yourself, moment, needed, should, shoulders,
summer, swallow, tongue
