

Little Talks

By Of Monsters and Men

I _____ (like) walking around this old and empty house

So hold my hand, I _____ (walk) with you my dear

The stairs creak as you sleep

It _____ (keep) me awake

It _____ the house _____ (tell) you to close your eyes

And some days I can't even dress myself

It _____ (kill) me to see you this way

(Chorus)

'Cause though the truth may vary

This ship _____ (carry) our bodies safe to shore

There's an old voice in my head

That _____ (hold) me back

Well, tell her that I miss our little talks

Soon it _____ (be) over and buried with our past

We used to play outside when we were young

And full of life and full of love

Some days I _____ (know) if I am wrong or right

Your mind _____ (play) tricks on you, my dear

(Chorus)

Don't listen to a word I say

(Hey)

The screams all sound the same

(Hey)

Though the truth may vary

This ship _____ (carry) our bodies safe to shore (hey, hey)

You're gone, gone, gone away

I watched you disappear

All that's left is a ghost of you

Now we're torn, torn, torn apart

There's nothing we can do

Just let me go, we _____ (meet) again soon

Now wait, wait, wait for me, please hang around

I _____ (see) you when I fall asleep

Don't listen to a word I say

(Hey)

The screams all sound the same

(Hey)

Though the truth may vary

This ship will carry our bodies safe to shore

Don't listen to a word I say

(Hey)

The screams all sound the same

(Hey)

(Chorus)
