Test 1 Exam practice — Reading and Use of English • Part 4

Action plan

1 Read the instructions and the example.
2 Read the first sentence, think about it and concentrate on the meaning.
3 Decide what kind of word the key word is and what often follows it. You must never change the key word.
4 Use words from the first sentence if you can, or change the form of them to help you (e.g. a noun to an adjective; affirmative to negative, etc.). Do not change words unnecessarily.

Follow the exam instructions, using the advice to help you.

For questions **25–30**, complete the second sentence so that it has a similar meaning to the first sentence, using the word given. **Do not change the word given.** You must use between **two** and **five** words, including the word given. Here is an example (**0**).

Cross out words that are repeated across the two sentences:

0 ~~The boat tour~~ was full, ~~so we had to wait an hour for the next one.~~

PLACES

There ..... WERE NO PLACES ..... left on ~~the boat tour, so we had to wait an hour for the next one.~~

You can see that:

- *was* is transformed into *were* to match the plural noun (*places*)
- *no* is used to make a phrase with *left – no places left* means the same as 'full'
