

My Appearance and character.

Let me introduce myself. My name is Ivan. I am 11 years old. I'm at the 6-th form. As many young people I **pay much attention** to appearance because people meet us by appearance. I think that everyone wants to be good-looking.

And now I will **try** to describe you my appearance. I think I'm handsome. I am **rather** tall and slim. But I would really like to be taller. I have a straight nose. My eyes are brown. I have long eyelashes. My lips are neither thin nor full. My hair is dark and I have a short cut. I have no beard and **moustache**.

Nowadays it's **expensive** to be smart and **fashionable** but I try to be well-dressed. Clothes can be **cheap** and fashionable at the same time, but **in my opinion**, it's important to be **neat** and **tidy**. I usually wear a smart pullover and dark comfortable trousers. I don't like buying new clothes. Men usually pay less attention to it. I always care how I look like. But I think girls **care about** their appearance much more.

I was born in January, that's why I am Capricorn. So I am serious. I enjoy listening to music and I'm good at sport. As for my character — I am cheerful, honest, sociable, but a bit talkative. I have a sense of humor. I like jokes. I **am brought up** well and have **good manners**. I'm always helpful at home and I don't hurt girls. I always try to tell the truth and get on well with other children. I **hate** when people boast and gossip.

At the end I would like to tell you about my dreams. In future I would like to have a big friendly family and a very **successful career**.

New Words

let me introduce myself – позвольте представиться
