My house is an eco-house. It has different rooms, and each room is for something special. The living room is where my family sits together to watch TV and talk. The dining room is where we eat meals. In the kitchen, my mom cooks food. The bedroom is where I sleep and rest. When I want to wash my face or take a bath, I go to the bathroom. On the roof of the house, we have solar panels to save energy from the sun. There are many kinds of houses, like apartments, stilt houses, bungalows, detached houses, and yurts. Every house is special!
