

There's a place I ..... that we should go  
Would you ..... me there? Your lady fair  
There's a brook nearby, the grass grows high  
Where we both ..... hide side by side  
**Hooray, hooray, it's a holi-holiday**  
**What a world of fun for .....**  
**Hooray, hooray, it's a holi-holiday**  
**Sing a .....song, skip along**

There's a ..... fair not far from there  
On a carousel, the ding-dong bell  
On the loop-de-loop, we'll swing and swoop  
What else we'll.....is up to you  
Well, again, fun is the thing I'm .....  
Now let's go live it up ....., get set for love and laughter  
Well, let's go, time isn't here for wasting  
Life is so ..... of sweet sweet things, I'd like to do some tasting  
Now the countryside, we ..... a ride  
Where the stars will shine, lots of time  
Back of your .....car, we might get far  
In the ..... breeze, we feel at ease
