Text 2 **A** **Read the letter.**

25th July 20XX

Hi Ricky,

How are you? I am very happy that you are coming to visit us in Australia next month. There are lots of fun things we can do together.

I am sorry I cannot take you to the beach. It is too cold but we don't need to stay inside. It isn't wet. We can go to Lake Mountain and play in the snow! We can make snowmen and throw snowballs. We can climb up the mountain and then go down in a big tube. It is great fun! I want to show you some snow sculptures too. People make lots of things out of snow. I am sending you a photo of one of my favourite sculptures from last year.

We don't eat outside at this time of year. We usually have barbecues in summer but now we eat lots of meat pies and chips. You must have some of my mum's apple pie — it is delicious!

Don't forget to bring some warm clothes with you! See you soon!

Love,
Jack
