Hi Sally!
How are you? I hope very well. I miss you so much. Here in Canada all is different. Every day I get up very early to go to school and it's very cold. I have breakfast with my classmates in the school. In the class we study very hard, Math is difficult for me, you know. From Monday to Wednesday I come back late. But other days I am ready at 13:00 pm. These days I have lunch at home. Then I watch TV, sometimes study in my bedroom and chat. I don't have friend yet, so that's why I don't go out. Finally, I have dinner, if I am awaked, because I am very tired. When I have much time, I'll write u again.
XOXO
Sue.
