1)

At the weekend, Donna's family(drive) to some interesting villages. Once they (arrive) at Toronto Zoo, they (see) many wonderful animals. Donna (enjoy) seeing the lizards and the giraffe. Her younger sister, on the other hand, (not love) them. He.....(prefer) seeing the dolphins jumping out of the water. They also..... (feed) the animals with the fruits they brought from home. They (have) a great time together. They all (promise) to visit the zoo again with their classmates.

2)

Elle: Hey Jen. I (send) you some messages yesterday, but you (not answer) me.

Jen: Sorry, I (to be) at my family party.

Elle: And I (call) you several times, too. I wonder why you (not call) me back.

Jen: Because I (to be) uncomfortable.

Elle: What? Why?

Jen: Because you (forget) to invite me to your party last Saturday. You(invite) Eva and Helen to the party.

Elle: It (not be) a party, Jen! Helen and Eva (have) some questions with their project, and they just

Jen: (need) my help. I (give) them the sample form of survey. Helen (borrow) my books, then I (have) some snacks before they (leave).
