Hey Joy,

How are you? This is my first week in our new house and I'm not very happy about it because my sister and I have the same bedroom.

I love her, but she's a bit lazy and she's often rude to me. You know that she does arts and crafts at the youth club, right? Well, she paints or draws and then she leaves everything on the floor, on her bed, and even on my laptop on my desk! What a mess! I can't hang out with my friends in my room any more. And listen to this. This week she's painting one of the walls black because she thinks it's cool. I can't live in a black room. No way!

It's a real problem. What can I do?

Write back soon.

Love,

Jodie
