II.- ANSWER

- 1.- What eco-friendly habits do you practice in your family?
- 2.- Which one is easier for you? Why?

One habit I practice is.....
I find it easier to.....
because.....

III.- READ

Abby and Gerardo are two teenagers from Arequipa. They care about the environment and want to help. Abby tells people to turn off the lights when they don't need them. She also saves water by turning off the tap when brushing her teeth. Gerardo recycles bottles, cans, and paper. He asks his friends to use recyclable bags instead of plastic. They both clean up the garbage in the streets and talk to their neighbors about keeping the city clean. Abby and Gerardo want to stop water pollution and reduce noise pollution in Arequipa. They believe everyone can help!

IV.- WITE TRUE OR FALSE

1. Abby and Gerardo only care about recycling.
