

We Can Do Anything

We can cook and we _____ dance
We _____ draw and take a chance
We can skateboard down the street
Running fast on our own feet

We _____ swim and play guitar
We _____ reach up for the stars
We _____ play football and win
Together we can do anything

[Chorus] We can we _____ yeah we can
Can't nobody tell us that we _____
We _____ we can yeah we can
_____ nobody stop us we're a band

We _____ speak Spanish so fine
We _____ sing make the world shine
We _____ ride bikes side by side In this moment let's all ride

We can laugh and we _____ scream Living out our wildest dreams
_____ nothing hold us back now We _____ do it anyhow

[Chorus] We can we can yeah we _____
_____ nobody tell us that we can't
We can we _____ yeah we can
_____ nobody stop us we're a band
