

MY DAY

Read the text and write if the statements are **TRUE** or **FALSE**.

Hello! I'm Nancy. I'm a nurse and I work in a busy hospital. I don't work everyday. Sometimes I work during the day, sometimes I work at night. On Sundays and Wednesdays I don't work at all. On those days I get up at half past eight and have a big breakfast. After breakfast I get dressed and go to shopping mall.

When I return home I eat lunch. After lunch, I take a nap then I go to the gym and work out for an hour. I love running on the treadmill. Then I go home and take a shower. After that, I eat dinner. Finally, I go to bed and read for about half an hour. I usually get tired after a busy day!
