

Somebody That I Used to Know

By Gotye

1. Listen to the song and write the missing words in the right place.

lonely	would	screwed	even	stoop	resignation	had	way	collect
glad	wouldn't	out	together	sense	addicted			

Now and then I think of when we were
Like when you said you felt so happy you could die
Told myself that you were right for me
But felt so in your company
But that was love, and it's an ache I still remember

You can get to a certain kind of sadness
Like to the end, always the end
So when we found that we could not make
Well, you said that we still be friends
But I'll admit that I was..... it was over

But you didn't have to cut me off
Make like it never happened and that we were nothing

And I don't need your love
But you treat me like a stranger, and that feels so rough

No, you didn't have to so low
Have your friends your records and then change your number
I guess that I don't need that, though
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know

Now and then I think of all the times you me over
But me believing it was always something that I'd done
And I don't wanna live that
Reading into every word you say
You said that you could let it go
And I catch you hung up on somebody that you used to know
