

The Amazing Art Adventure

Lucy loved painting. One day, she wanted to finish her masterpiece. "I will use bright colors," she said. Her friend Ben started to help, but he hated messy paint. "Don't worry!" Lucy laughed. They mixed colors and had fun.

Suddenly, Ben spilled paint everywhere! "Oh no!" he shouted. But Lucy smiled, "This is an art discovery!" They finished together, creating a beautiful, colorful mess.

"Do you like it?" Ben asked.

"Yes! I love it!" replied Lucy.

They both realized that art is not just about perfection, but about enjoying the process!
