MY FRIENDS

My new friends are very _____ and _____. They're always on the go, playing sports, joining clubs, or exploring the neighborhood. They're also _____ and _____. They always make me laugh and are willing to wait for me if I'm slow. Some are _____ and _____, while others are _____ and _____. The confident ones are always ready to try new things and help others, while the careful ones are always double-checking their work and making sure everyone is safe. The careless ones, on the other hand, are always forgetting things and making mistakes. A few are _____ but _____ and _____. The shy ones may be quiet at first, but once they get to know you, they can be very intelligent and talkative. They're all _____ and _____. They're always coming up with new ideas and working hard to achieve their goals. Some are _____ and _____, while others are _____ or _____. The kind ones are always there to lend a helping hand, while the clever ones are always quick to learn new things. The dependent ones rely on others for help, while the independent ones are self-sufficient. They're all _____ and _____. You can always count on them to be there for you and they're always in tune with the feelings of others. I don't think they're _____ or _____. They're always doing something interesting and they're never too tired to have fun. They're _____ and always want to learn new things. They're always asking questions and exploring new places.
