Subject: Beautifying Club Garden

Hi Nina,

Mrs Wong our English Club teacher advisor has just messaged me. She wants to meet us at the school garden tomorrow at 3.00 p.m. She says she wants us to get rid of the weeds and the old dead plants from the garden. Mrs Wong wants us to plant hibiscus plants. She will provide us the plants.

See you!
Wendy

5. Wendy wrote this email to Nina
- A to ask her where they could get hibiscus plants from.
 - B to inform her that Mrs Wong wants them to beautify the club garden.
 - C to tell her that there are weeds and old dead plants at the club garden.

Dear Khairie,

Harry and I are planning to join the neighbourhood *gotong-royong* this Saturday. Would you be interested to join us?

Anand

- A to encourage him to join the neighbourhood *gotong-royong*.
 - B to find out if he and Harry can join the neighbourhood *gotong-royong*.
 - C to ask him if he is interested to join them in the neighbourhood *gotong-royong*.

Mount Everest is the highest mountain in the world. It reaches an incredible height of 29,032 feet (8,848 metres) above sea level. It stands tall in the Himalayas, in Asia. Many adventurers dream of climbing to its peak, but it's a tough challenge with freezing temperatures and thin air. Still, conquering Everest's summit is an achievement that inspires people all over the world.

7. Which of the following statements about Mount Everest is true?
- A Mount Everest is situated in the Himalayas, in Asia.
 - B Its height is approximately 29,000 metres above sea level.
 - C Many adventures have easily climbed up to the peak of the mountain.

KUALA LUMPUR: Seventeen students of UCSI University took time off their busy schedule between classes and assignments by visiting Pusat Kebajikan Damai Cempaka at Jalan Sungai Besi recently.

The students, of different faculties and courses, made their way to the orphanage right after their classes on July 6.

The leader of the students' group, Adrian Chin, said the visit was aimed at raising awareness of the underprivileged community.

Adapted from NST July 2018

8. From the newspaper extract above, we can conclude that
- A the children from the orphanage went to UCSI University.
 - B the aim of the visit was to talk about university life with the orphans.
 - C the UCSI University students went to the orphanage after their classes.
