
Antonio Banderas' Food Likes and Dislikes

Hello, I am Antonio Banderas. I like healthy food. For breakfast, I enjoy fresh orange juice and toast with avocado. I like salads with tomatoes, lettuce, and olive oil. My favorite dinner is grilled chicken with rice and vegetables.

But I do not like unhealthy food. I do not like fast food, like hamburgers and fries. I also dislike sweet desserts like cakes and cookies. I prefer to eat fresh and nutritious meals.

Hope this fits what you need! Anything else on your mind?
