

Activity 2: Reading and identifying activities and places.

Xochilt's daily routine

1. Read the following text about Xochilt's daily routine and identify activities/actions and places within the text.

Xochilt wakes up at 6 a.m. Every morning, she turns off her alarm clock, gets up, and makes bed. After getting up, she goes to the bathroom to take a shower. Then, she gets dressed in her bedroom and goes down to the kitchen to have breakfast. She usually eats beans, eggs, and bread, with coffee.

At 7 a.m., Xochilt leaves her home and walks to school. Her school is nearby, so she arrives quickly. After her classes, Xochilt goes back home to have lunch at 12 p.m. She usually eats with her family in the dining room.

After lunch, Xochilt goes to the park where she plays with her siblings. She loves to run and use the swings.

Later, Xochilt returns to her home to study. She does her homework in the living room or sometimes in her bedroom. Then, she has dinner with her family in the dining room, and before going to bed, she brushes her teeth in the bathroom, and finally Xochilt goes to sleep at 9 p.m.

2. After reading the text, analyze and select the keywords in the list if they are actions or places.
