This is our class. Today, we have (1) science. This is Tom's favorite class. He really likes (2). It is so much fun. He (3) does experiments in this class. Nick loves this subject, too. I don't really like science. I love (4). To me, math is so interesting. I always solve difficult problems in math class. My (5) often says that I should practice more to be better at math. I like (6) to solve many math problems on the internet.
