### My future job? No idea!

Everyone in my family has a different idea about my future job. It's because I like doing different things. <sup>1</sup> \_\_\_\_ My dad, who is an engineer, thinks I should be one, too. He says it's an interesting job. Well, I'm not so sure. I like doing maths and science. <sup>2</sup> \_\_\_\_ My mum has a different idea for me. In her opinion, I should be a doctor. <sup>3</sup> \_\_\_\_ I like helping people and I'm good at biology, so maybe it's a job for me. My older brother, Frank, thinks it's important to protect the environment. <sup>4</sup> \_\_\_\_ But what about my opinion? I really don't know! <sup>5</sup> \_\_\_\_ I'm only 14 and I still have a lot of time to choose a job!

- A He works for a recycling centre.
- B That's not a bad idea.
- C For example, I love reading and making things.
- D Well, I don't have to think about it now.
- E But I don't like working on the computers and engineers have to do that a lot.
