READING

Read the text. Are the statements **True** or **False**?

For each item, shade in the bubble under the correct option.

Long time ago, there was a small family living in a hut. A father, a mother and their son. They had a small farm and they grew vegetables in it. One day, the father was sick and the mother went to the farm. She began to remove the clay under the trees. Suddenly, she saw a box under one tree. She tried to pull it out, but she couldn't. Then, she brought an axe to dig around the box. She pulled the box out of the clay and put it in a small room in the farm. She returned home to bring a hammer. She opened the box and found gold coins in it. The family decided to buy a big farm and a new house. At the end, the family became rich and everyone was happy.

Statements

True	False
------	-------

1. The father was a doctor.
2. They lived in a big house.
3. She started cleaning under the trees.
4. She put the box under a tree.
