Reading

Watch the weather!

Most people plan their vacations very carefully. They think a lot about plane tickets, passports, and hotel reservations. But they often forget about one important thing—the weather. You should learn about the right time to visit your vacation spot. Here is some information to help you plan your next vacation.

- **Italy** The weather is sunny all year, but it's sometimes cold in winter. April and May are warm and beautiful. From June to September, it's very hot.
- **Australia** Summer here is from December to April. It sometimes rains, but the weather is usually very good. In winter, it snows a little in some places, but most of Australia isn't very cold.
- **Hong Kong** The weather is hot and very humid here a lot of the year. In July and August, it's sometimes very windy, and there are bad storms. October and November are warm and not so humid, but in December and January, it gets very chilly sometimes.
- **Germany** From November to April, the weather is cold, cloudy, and snowy. In spring, it's warm, but there's a lot of rain. July and August are usually warm and sunny.
- **India** You shouldn't travel to India from June to September. There is a lot of rain everywhere. From November to April, after the rainy season, the weather is nice and cool. In April and May, it often gets very hot.

A. T for True and F for Fals
