My family and I love listening to music. We like different types of music. I like hip hop and rock. I think they're exciting. I usually listen to my favorite songs when I'm doing my homework.

My sister loves music, too. Her favorite kind of music is pop. She really likes to listen to boy bands. She loves singing and dancing to pop music. She thinks it's really fun. My mom likes listening to classical music and jazz. She often plays jazz and classical music on the piano. I don't like classical music and jazz. They're boring. My dad really loves country music.
