Would you know my name

If I ..... you in heaven?

Would it be the .....

I must be .....

And carry on

'Cause I ..... I don't belong

Here in heaven

Would you ..... my hand

Would you ..... me stand

I'll find my way

Through ..... and day

'Cause I know I just can't .....

Time can bring you .....

Time can bend your knees

Time can ..... your heart

Have you begging please

Beyond the door

There's peace, I'm .....

'Cause I know there'll be no.....

Tears in heaven
