My Classmate

I have a classmate at school. Her name is Mark Lee. We met often to play and he was always nice to me. Mark's body was tall and well-proportioned. His slender body made his friends envious. Mark also has an actor-like face which many female students like.

He has straight hair with black color. His hobbies are running, swimming and writing a poem. Mark is not only handsome, but also very friendly to his friends and polite to his teachers. Mark always smiled for those who greeted him. Every morning, Mark and I used to go to school together.

At school, wherever I went, Mark was always with me. He is quite hyperactive and has a funny response. During the holidays, Mark often came to my house to play. Sometimes Mark would also stay at my house and come home in the morning. We often go outside to visit exciting places.

Comprehension Question

1. Who is being described in the text?
