Hello. My name is Tom and I was in London last weekend. It was really cool! On Friday afternoon we were at the hotel. It was very comfortable. On Saturday morning we were on the underground to go to Trafalgar Square. The lion statues were great! I was glad they weren't real! Then, we were at the National Portrait Gallery. That was really interesting. It's a very big art gallery with lots of history. Then, we were on the ferry to get to a big castle called the Tower of London. We were out all day but we weren't tired because it was fun. On Sunday we were at the shopping centre in the morning to buy some souvenirs. My souvenirs weren't expensive – a postcard and a cap. In the afternoon, we were at a football stadium to see a match – England versus Spain! It was great!
