Hi Jenny!

How have you been? What have you done in the past year? I'm sorry I haven't written in a long time. It's been a crazy year.

I've been pretty busy. As you know, I'm not in school anymore. My first job was OK at first. Then I got bored with it. It just wasn't challenging. I knew I needed a change.

I found a new job at a travel agency. I love it, but it's a lot more stressful than my old job. I just got a raise, though. I'm happy about that because I moved to a new apartment a few months ago, and it's more expensive than my old apartment!

I have some other big news. Ben and I got engaged! He's still in school, and he hopes to graduate in the summer. We plan to get married next year, after he finishes school and gets a job. We hope to travel around Mexico for our honeymoon. I can arrange it at the travel agency, so it will be a great trip! We're very excited!

I'm looking forward to hearing all your news.
