

## Homework

**Exercise 1.** Rearrange the sentences to make complete responses to the questions. Then write the complete answers in the gaps.

**Question 1.** Do you think people use chocolate differently now than in the past?

1. Having said that, I guess chocolate was mainly seen as a snack in the past, whereas it can also be used as a **health supplement** today.
2. To be honest, I'm not sure as I haven't done any research on this matter.
3. You see, it has been scientifically proven that chocolate contains **several ingredients** that can benefit your **cardiovascular** health.
