---------------	----------------	------------	-----------------	---------------	--------------	--------------	-------------

My name is Amber. My last holiday was about two months ago when my friend Emily and I (1) to go to Singapore. Actually, Emily (2) to go to Vietnam, but I (3) her that she would like Singapore, so she (4) to come. When we (5) out of the airport, the temperature (6) so hot that she suddenly said that she (7) want to continue any further! But I (8) her into a taxi and we went to our hotel where the amazing air-conditioning (9) sure that we (10) hot any more.

But of course, she (11) Singapore eventually. We (12) out all the sights in the city, (13) shopping every day, and (14) all the local cuisine in the food markets. At the end of the trip, Emily (15) want to leave. I (16) to pull her out of the hotel so we didn't miss our flight!
