It was a cold Sunday evening. It was snowing a lot. John was studying for a Biology test in his bedroom. It was a very difficult test and he had to do a lot of exercises in google classroom. He was wearing a sweater and a jacket because it was freezing.

John's sister - Karen - was in the bedroom, too. She didn't have any homework so she decided to listen to music. She was wearing a short dress and beautiful shoes. She loved Shakira and she had all her albums. She played "**Las mujeres ya no lloran**" in Spotify and she started dancing.

The problem was that John didn't want to listen to music. He wanted to study. He said: 'Please stop the music, Karen'. But Karen was dancing and she didn't hear him. John was very angry because he couldn't concentrate, so he grabbed Karen's smartphone and he closed the app.

Karen was furious and she started crying. Suddenly, there was an internet cut. John couldn't study and Karen couldn't listen to music. So they went to bed.
