SUNDAY ROUTINES

Mark Dobbs is a musician at a famous club in New York.

In this week's article, he talks about his routine for his favorite day of the week.

I love Sundays. I'm at the club every Saturday night, so I usually get up at 12:00 on Sunday mornings. I drink coffee and read the news on my laptop.

At 3:30, I usually go to my favorite restaurant, Joe's, and I eat breakfast. Then I hang out with my friends in the park. They play soccer, and they're really good! I don't play – I watch.

At 7:00 p.m., I go home and chat with my brother online. I go to bed around 10:00. Sunday is always an early night for me.
