Last semester, my school held an excursion to explore Labuan Bajo. It was a full day trip. Labuan Bajo is a hidden paradise situated in eastern Indonesia. We departed from school early in the morning so we could do many activities. The first place we visited was Wae Rana beach. It is a small beach, located between Binongko beach and Wae Cecu beach. We enjoyed the sunrise there. Too bad, people were not aware of the cleanliness. Litter was everywhere. The sunrise was beautiful, though. After enjoying the sunrise, we _____ (1) breakfast. After we finished our breakfast, we _____ (2). It was the first time for me to see sharks of all kinds. We could also see the underwater creatures, like bright coral, manta rays, turtles, seahorses, and fish. In the afternoon, we _____ (3). The food was delicious. We had our free time after lunch. Some of us took some rest, some others explored the place. Our next activity was going to Rangko Cave. There, we _____ (4). We enjoyed the beautiful cave shaped by nature. We also swam in the pool inside the cave. The water was so clear that you could see the rocks under water. Before we _____ (5) home, we went to Padar Island. We wanted to see the landscape in panoramic view, so we hiked for about 30 minutes to reach the peak. It was tiring, but the view was breathtaking. Padar Island is unique because it has several beaches with different colors. Exploring Labuan Bajo with all the activities made me realize that our country is “a country of treasures”. I felt so happy that I could enjoy all the activities that the package offered.

Paragraph	Text
1	My last holiday was really unforgettable. My school took the students to Sumbawa. Our teachers told us that it was an event to end the semester. They booked a two-day tour for us and the next two days were really fun.
2	The next morning, after we finished our breakfast, the tour agent picked us up from the hotel. We embarked for Poto Tano harbor West Sumbawa. The trip took about 1 hour and 30 minutes. Once we arrived there, we explored Maluk Beach. I learned how to surf there. It was fun although I failed many times standing on the board. We had lunch at a local restaurant and took some rest before we went to Mantar Peak. We really enjoyed the sunset. The sunset was amazing! It was true what people say that this place was like "the land in the clouds". I could enjoy the beautiful sky covered with orange color. When the sky got dark, we went to the village to have dinner and stay overnight in a traditional house in Mantar.
3	We woke up early the second day. We didn't want to miss the agenda on that day. We enjoyed the sunrise at Mantar Peak before we went back to the village to have breakfast. The sunrise gave us an amazing view. We had a trip to Kenawa Island and went trekking to Kenawa hill after breakfast. The guide that accompanied us explained the necessary information regarding the island. Then, we went to Poto Tano harbor to embark for Kayangan harbor, East Lombok.
4	The tour was tiring but I learned something new. I was so happy. It was so memorable for me.
