

Let's read the lyrics together.

[Verse 1]

93 million miles from the Sun, people get ready get ready
Cause here it comes it's a light, a beautiful light, over the horizon into our eyes
Oh, my my how beautiful, oh my beautiful mother
She told me, "Son in life you're gonna go far, and if you do it right you'll love where you are
Just know, that wherever you go, you can always come back home"

[Chorus]

Ohh, ohh, ohh
Ohh, ohh, ohh

[Verse 2]

240 thousand miles from the Moon, we've come a long way to belong here
To share this view of the night, a glorious night, over the horizon is another bright sky
Oh, my my how beautiful, oh my irrefutable father Ohh, ohh, ohh
He told me, "Son sometimes it may seem dark, but the absence of the light is a necessary part
Just know, you're never alone, you can always come back home"

[Chorus]

Ohh, ohh, ohh

[Verse 3]

You can always come back, back

Every road is a slippery slope
There is always a hand that you can hold on to
Looking deeper through the telescope
You can see that your home's inside of you
Just know, that wherever you go, no you're never alone, you can always get back home

[Chorus]

Ohh, ohh, ohh
Ohh, ohh, ohh

[Outro]

93 million miles from the Sun, people get ready get ready
Cause here it comes it's a light, a beautiful light, over the horizon into our eyes

Read the lyrics of the song above and choose the correct answers.
