1. Read and choose true or false.

Hello, my name is Tom and my favourite place in town is the cinema. I often meet my friends there at the weekend. We ride our bicycle and sometimes we borrow some books first. My mum doesn't watch the film with us. She always goes to the post office to send cards or to the supermarket to buy food.

1. My favourite place is the skate park.

   True False

2. I often go to the cinema.

   True False
